Lily –

Thanks for the draft budget hearing write-up on Hunters Point. I think it looks fine and have only added above the title, **FY 2019 CONGRESSIONAL HEARING**. I have attached the revised version which can John can send to Enrique. Once Enrique is fine with it, it can come back to me to share with the Comptroller and then Alexis for her review and sign-off before I send on to OCIR's Christina Moody on Monday, April 2<sup>nd</sup>.

Dear Brent,

As you requested, attached is a draft Hunters Pt fact sheet. As you recommended, I used the language already presented the HQ mgmt in a recent briefing. I changed it in these ways:

1. Added talking points based on the version approved by my managers before the Jan. 31 community meeting.
2. Shortened it and added "Region 9" at the top
3. Added contact info at the bottom. Since I, John, and Angeles will coincidentally all be out of the office next wk, I am asking Brianna if you would be willing to be backup contact in case of any questions.

Thank you for confirming that I don't need to add budget numbers at our level and that the format is flexible.

Please let me know if you need anything else.

- Lily

Hello all-

Here's a note from OCIR and accompanying memo regarding the call for budget and policy fact sheets for FY19 Appropriations hearings. This process is always a bit confusing, as the NPMs usually also reach out to regional program offices, but OCIR asks the regional Congressional liaisons/comptrollers to coordinate clearance for these.

According to Christina (OCIR), there should already be existing fact sheets for most of these topics that were submitted last year. Hopefully the NPMs/OCFO are sharing those with the regional program offices and your folks are already aware and working on them. If you do send any budget fact sheets along to your NPMs, please CC Brent and I.

The lists I've seen, which I can also send, include the following R9-specific topics (there are other topics that are broader in nature, such as abandoned uranium mining, for which we could provide info as requested). **The fact sheets are due to HQ by April 2.**

- \* Anaconda
- \* Hunters Point
- \* Red Hill
- \* U.S.-Mexico Border (Water)
- \* CA CAA Waiver

I'm out Thurs and Fri, but Joe and Brent are in the loop on this deadline and should be able to assist.

Kelly
